* Special symbol to identify troops sharing the same troop number. Letter refers to county or town.

A summary of how Troop points are calculated

Individual teams:

1. The teams are ranked in order of finish on each course.
2. All finishers are listed in order from fastest time to slowest for the calculating of points. (Non finishers can not receive points)
3. The first place team on each course receives 25 points. All others are assigned points proportionally to their finish position.
The exact number of points assigned to a particular finish placement will thus depend on the number of teams entered in that category.
4. The troop point total on each course is the average score of their teams on that course.

Afternoon score course:

1. The total points a troop gathers is divided by the number of teams they had participating in the morning event.
2. Teams should remain the same and no troop can have more teams participating in the afternoon than they did in the morning.
3. The score point total gained in the afternoon is divided by the number of troop teams to get a troop average.
4. Those averages are sorted from high to low and each troop gets one point for every participating troop they beat.
Troops that choose not to participate or do not score in the afternoon event are tied for last place and get zero points.
