

DELAWARE VALLEY ORIENTEERING ASSOCIATION

To: All Scouts, Venturers, Scout Masters, Advisors, Leaders, & Committee Members

Are you and your unit ready to test your map reading and problem solving abilities? Are you ready to work on the map and compass requirements for rank or award requirements or the Orienteering merit badge? Why not try **ORIENTEERING**, a cross country map and compass adventure designed to test the map reading ability, compass skills, and outdoor savvy of any unit regardless of size or experience.

On Saturday **May 6th, 2023**, the **34th annual Scott - Mid-Atlantic Scout Orienteering Championships (S-MASOC)** is being held through the efforts of the Delaware Valley Orienteering Association and French Creek State Park. **Scouts and Scout Leaders OF ALL AGES ARE WELCOME.** There will be seven courses with four distinct levels of difficulty so that every scout or leader should encounter a challenge suited to his or her capabilities. The event will be held on a map that has been mapped to International Orienteering Federation (IOF) standards. All maps will be returned after the last starts for the event.

Pre-registration is required for the event.
See registration definition and deadlines on Page 2 of this document.

Camping is available at French Creek. **Call 1-888-727-2757 7am-5pm Monday to Saturday.** First come first served basis. We recommend you call 1-888-727-2757 and reserve one now if you want one of the private sites. These are located just north of Scott's Run. Note: the Brush Hill Campground is designated for family camping, not for group use. This means that groups are limited to 5 people per site, and the regular family camping rates apply.

To register for the event send the S-MASOC34 registration form and full payment.

THE 34th ANNUAL SCOTT MID-ATLANTIC SCOUTORIENTEERING CHAMPIONSHIPS

Saturday MAY 6th, 2023

This data is available at <http://scoutorienteering.com>
through the event link on DVOA's site at www.dvoa.org

Categories: Scouts will compete with other scouts of the same rank. Seven courses will be offered.

- Course 1** Cub Scout Dens, Daises, Webelo Den groups. Dens and Brownies can participate in groups of 2 or more with an adult advisor who should **follow** his or her group, not lead it. **(OUSA-White course)**
Groups of more than 2 should register as a group of 3 on the registration form.
- Course 2** Girl Scout Brownies, Juniors and Scouts (New Scouts & Tenderfoot Scouts) will do this course. Scouts run in pairs *without adults*. Scouts on this course with adults will be listed as "NC", i.e. non-competitive and not eligible for awards. **(OUSA-White course)**
- Course 3** Second Class and/or First Class Boys with *no adults*; Girl Scout Cadets can have an adult trailing, but not communicating with the girls except in case of emergency or injury. All compete in pairs **(OUSA- Long White course)**.
- Course 4** Star, Life, and/or Eagle Scouts; younger Venturers; Girl Seniors: all compete in pairs. **(OUSA Yellow course)**
- Course 5** Older Venturers who compete in pairs and Leaders. This course is separate from course 4. Leaders may also compete on this course in groups two or three or alone. Leaders should also pre-register to compete, pay the applicable participant fee, and may receive a patch for early registration. Leaders will be eligible for awards. **(OUSA Yellow course)**
- Course 6** **Advanced Scout - Compete alone (OUSA Orange Course)**
- Course 7** **Advanced Adult/Leader (OUSA Brown Course)**
Advanced, experienced orienteers of any rank: **Scout, Venturer, or Scouter, participate alone** on a typical OUSA Advance course. Scouts, Venturers and all Leaders need to be skilled enough to compete alone to be eligible for awards on this course. Registrations we receive showing pairs of youth on these courses will be split up and assigned separate start times. Leaders in pairs will not be eligible for awards. The start interval on these courses is usually 5 minutes, so very little "following" is possible.

There is no charge for leaders that are not going out on a course.

PLEASE BE SURE TO REGISTER YOUR YOUTH ON THE PROPER COURSE. IT IS EMBARRASSING AND CONFUSING AT AWARDS TIME TO FIND YOUTH THAT HAVE COMPETED ON A COURSE DESIGNED FOR YOUNGER AND LESS EXPERIENCED SCOUTS.

Registration Information:

- ✓ All participants must be **pre-registered and prepaid.**
- ✓ Event patches are guaranteed for "Registered" by Friday March 24, 2023 participants.
- ✓ **The cost of the event is \$9.00/youth or participating leader with registrations received by email on or before Monday April 3rd, 2023.**
- ✓ **The cost for registrations received by email after April 3rd and on or prior to Friday April 14th is \$13.00 per participant.**
- ✓ **If you missed the late registration deadline of Friday April 14th call Mary Frank at 610-310-4675 before emailing form or sending payment and form. If you email after 4/14/23 without calling and receiving a response your check will not be cashed and there will be no maps or start times available on event day for your group.**
- ✓ Each Troop may have **one** three-person team per course to allow for odd numbers. Course 1 allows for daises and cub groups larger than 3. Register as 3. A maximum of 3 maps will be supplied for groups on Course 1 larger than 3.

Timeline on the day of the event:

- ✓ Access gates open at approximately 8am to pool area of park. Event signs from park entrance.
- ✓ Registration opens at 8:45am
- ✓ Beginner instruction near registration begins at 9am and starts over every 15 minutes until 10am.
- ✓ The start times of each individual team on their course will be determined by the entry date of their troop and noted with the packet picked up at registration. Start times will also be emailed to troop.
- ✓ First starts times will begin at 9:45 AM and go until at least Noon.
- ✓ The afternoon Score event returns for 2023. Instructions start at ~1:30pm near registration. Mass start at ~2pm.
- ✓ Award ceremony for morning courses returns in 2023 and begins at approximately 3:15pm at registration area.
- ✓ Full results will be emailed within 10 days after the event.
- ✓ If unable to stay for awards they can be picked up at DVOA office or at a future DVOA event.

★ **START TIMES:** are assigned in the order the entry is fully received.

★ **AWARDS:** Awards will be made to the top 1st through 3rd place teams on each cross-country course.

★ **REGISTRATION:** In order to help in our advance planning, we are asking for only the number of teams prior to the event. Pre-register using the mail-in pdf form provided. Show the number indicating the number of girls/boys on that team (2 or if necessary 3). Only one team of 3 per course is allowed. Courses 6 & 7 compete alone and should show a 1 for each entry. **Don't forget to tell us if you are a BSA-B, BSA-G, Crew, or GSUSA unit by putting them as a prefix to your troop number in the form.**

★ **AT THE ON-SITE REGISTRATION PACKET PICKUP:** You will receive start "ticket" envelopes with unit information and start times listed. This envelope will include an electronic device that will be used to record each control visited. Each epunch device has a unique serial number and this is assigned to the participating group. **Participants should neatly print their names to the back of the "ticket" and must bring the ticket to the start at their designated start time on the ticket. Those reporting to the start without their ticket will not be started.**

Each epunch device has a string with a loop attached that should be worn around the wrist to avoid losing the device. These epunches must be returned at the finish at the end of the morning's competition. Loss of an epunch will cost the participating group's troop an additional \$60 per unit. Note: In the 4 years since DVOA fully adopted epunching we have not lost an epunch. If your troop has unused Epunches in your packet please have a leader return these to the Finish area before the end of the morning event.

★ **TWO UNIT REGISTRATIONS:** Often two types of units are registered together such as a Webelo den and a Boy Scout troop, or Girl Scout Troop of Cadets and Juniors, etc. **Please use separate registration forms. You can make one payment.**

★ **START:** Participating groups should be at the start line at least 10 minutes prior to their assigned start time. Walk to the start from registration will be less than 10 minutes. We **can't easily assign new start times** as start times will be filled allowing for social distancing. **Please add your youth's name(s) to their start ticket (envelope) stub for awards purposes.** Do not make any other changes to the ticket unless they have been cleared at registration. **Competing adult leaders should indicate "Male" or "Female" on their start ticket for awards.**

★ **PAYMENT:** Checks can be made payable to "DVOA" or "Delaware Valley Orienteering Association".

★ **BEHAVIOR:** The Delaware Valley Orienteering Association is responsible for providing good courses, accurate maps, and fair competition. Leaders are responsible for proper discipline of their youth. Participants must not remove any of the control markers or punching devices (manual or electronic) before, during or after the event. Participants should in no way hamper the completion of any course participant. Removal or destruction of event equipment or actions which hamper the completion of a course is unfair to other units and will result in the full disqualification of the offending unit's participating teams. A unit disqualification means forfeiture of all eligible awards for that unit.

Leaders should make this point absolutely clear to all participants before traveling to the event.

★ **PARKING AREA:** There are signs within the park directing you to the parking and registration area. The signs are orange and white with black arrows. The direction markers will start at both main park entrances on PA Route 345. There is plenty of parking for buses and cars within a minute or two of registration. Please space out appropriately.

★ **REFUNDS:** Because the courses are preprinted on the maps, we cannot refund any registrations, however, if you

have teams that did not attend, be sure to pick up their maps after 2pm at the registration area.

★ **EQUIPMENT to BRING WITH YOU:** Each team or individual participant should have a compass for the event. A pen or pencil to write participants names on the start ticket(epunch envelope). A wristwatch if they plan to compete on the afternoon Score event.

★ **QUESTIONS?** You may email the registrar Mary Frank at frankdvoa@aol.com, **but please read this document first. All of the frequently asked questions are answered here.** Remember DVOA is in charge of the Orienteering. Questions regarding other activities and facilities (**except camping**) at the park should be directed to the park.

★ **Electronic Equipment by Participants:** The use of Electronic equipment (i.e.cell phones) for communicating with a group still on their course should be done only after they are unable to continue and have withdrawn from the competition. Use of electronic communications with groups on the course is grounds for disqualification except in the case of an emergency or withdrawal from course competition. **There is minimal cell reception at FCSP.**

★ **WE GO RAIN OR SHINE !** The maps are in sealed plastic bags; the scouts should dress for the weather. There are no pavilions so troops should bring their own pop-up tents if weather conditions require overhead cover.

REGISTRATION & PLANNING TIMELINE:

**Registration Opens January 30th, 2023. (DVOA cannot control mail delivery)
Properly completed registration form and full payment receipt will decide whether
a troop is registered.**

ASAP.Secure a camping permit at French Creek if you desire a separate campsite for your troop. You probably will want to use group tenting sites, not general family camping sites. These are obtained by calling 1-888-727-2757. They are not done through the park.

12 AM ET Saturday April 15th -Registration is closed

Registrations received on or after this date will be returned unless communication with the registrar has been completed by phoning 610-310-4675 and a return email authorization to accept the entry has been given by the registrar.

(Bring this authorization email with you to registration on day of event.)

PLEASE NOTE:

We have been using electronic "Epunches" on all courses since 2018.To do so requires final numbers a few weeks prior to the event so that additional competitor epunch devices can be made available and delivered to Event personnel in time for entering the numbers into the registration/results program. This method of timing for the morning cross-country event is more accurate and expedites results. Pin punching will continue to be used for the afternoon Score event. If you do not plan to participate in the afternoon Score event please note this on your registration form.
